Tradition in every bite.

Inspired by the rich culinary traditions of Latin America, we craft tortillas, wraps, and chips that elevate menus and delight customers. Every product crafted at Mama Lola's blends authentic flavor with modern production excellence, giving our partners dependable quality they can count on.

- **Manufacturer & distributor of tortillas, wraps, and chips.**
- **Regional + national distribution.**
- **Reliable supply chain, partner-focused service.**
- **Committed to using simple, high-quality ingredients in a SQF Level 3 certified facility.**

WHO WE ARE

OUR BRAND STORY

For more than 30 years, Mama Lola's has been crafting tortillas, wraps, and chips inspired by traditional Latin American recipes and techniques.

What began as a small local operation has grown into a leading Southwest manufacturer powered by skilled artisans, modern production, and uncompromising quality standards. Today, our commitment to authentic flavor, consistency, and continuous improvement guides every product we make —and every partner we serve.

WHAT MAKES US DIFFERENT

Consistent Quality & Authentic Taste

All of our products are crafted with authentic textures & simple ingredients.

World-Class Manufacturing

SQF Level 3, USDA Organic, Kosher & Halal

Reliable, Trusted Partner

We are not just a supplier. We partner with you from start to finish.

Customization Expertise

We're equipped to create customized concept-to-market solutions.

SUSTAINABILITY & COMMUNITY

How Mama Lola's Supports the Full Ecosystem

360° Farm Partnerships

Long-term partnerships with family-owned corn farms

Responsible farming practices that protect soil & yield

Full ingredient traceability within SQF-certified processes

Sustainability & Waste Reduction

Leftover corn repurposed into high-quality animal feed

Recycling Initiatives Practiced in the Plant

Ongoing focus on efficient, lower-waste operations

Community Impact

Proud partner of St. Mary's Food Bank, who distributes 300,000 meals daily

PRAISE FOR MAMA LOLA'S

"Mama Lola's Tortillas are hands down the best tortillas I've ever had!"

"Highly professional and motivated staff. A fantastic team to work with all the way around!"

"These organic chips are like nothing that's in the market today. They are soo good!"

"The corn tortillas are thick and wonderful. They do not fall apart and are great for making enchiladas and tacos."
